To whom it may concern:

Langan Engineering and Environmental Services (Langan) is conducting a Phase I Environmental Site Assessment of the referenced property located in Jackson Michigan. In accordance with Freedom of Information Act requirements, Langan is requesting information or copies of any records pertaining to the property including, but not limited to, environmental concerns (i.e. underground storage tanks, above ground storage tanks, septic systems, wells, spill incidents, dumping) at the subject property.

This information is necessary in order for us to complete our current environmental assessment of the property.

Please contact me at 973-216-2413 when you have had a chance to review the files for the subject property located at 1900 to 1950 Wellworth Avenue.

Thank you in advance for your help in this matter.

Very truly yours,
Langan Engineering & Environmental Services

Eric Meyer, CHMM, LSRP
Senior Project Manager
